Dear Friends,

I am sure we will all be glad to see the end of this winter and, even though I am writing this while there is snow falling outside, it is nice to know that by the time you read it, the Spring will be well and truly here!

To welcome in the new season, our famous head chef, Milan Pesek, has developed a whole new A La Carte menu for our Vltava Restaurant that will be available from 1st of March. You can read more about the menu and some of the special delicacies on offer further in this Newsletter.

Another 'spring initiative' is our special package of conference offers; our excellent facilities and service, combined with unbeatable prices for the coming months, will definitely tempt you. Read on to find out more!

Happy spring time!

New Menu for the Vltava Restaurant!

It is now four years since our wonderful Head Chef, Milan Pesek, joined us, and he has been one of the biggest reasons behind the Vltava Restaurant's success, with his extensive knowledge of French Cuisine and his willingness to experiment with ideas and promotions such as our regular 'flavours' of other countries, and our monthly Chef Shows.

From 1st March, 2010 the Vltava Restaurant offers a brand new 'A La Carte' menu which, whilst being inspired by Milan's many years of training in France, will also incorporate some real Czech specialities as well as a number of other different dishes, including those prepared especially for vegetarians and guests with a gluten-free diet.

Visitors to the Vltava Restaurant **during April** have the unique opportunity of tasting some of these new delicacies by ordering our **three-course tasting menu**, on offer at this time for just **CZK 900 per person**.

If you are out in town and you want to stop for a drink and maybe a little bit of an indulgence, then there is nowhere better than our Piano Bar. During the whole of **April** you can have a real **'Taste of Easter'** by trying some of **Czech traditional Easter cakes** along with all our other temptations, washed down with warm juice or delicious tea. What better way to get into the Easter mood! And then in **May**, just as summer is really starting to take hold, join us during our 'Month of Love' and bring your partner to enjoy a glass of **rose wine**, whilst looking out over the romantic Vltava River.
