Culinary Specialties of the Vltava Restaurant

For years, **February** has been linked with Saint Valentine's Day, and so it is at our Vltava Restaurant. This year, our Executive Chef has created a **special St Valentine's menu** that we are sure you will love. For example, you can look forward to roasted tiger prawn salad, stuffed quail in a porcini mushroom sauce, or orange cheesecake with rosemary and chocolate ice cream. And, in addition to this, at the end of your meal *you can look forward to a small surprise courtesy of our hotel.*

In **March**, our Vltava Restaurant is going back to its roots with a **special menu of traditional Czech cuisine**. Apart from Czech food lovers, we hope to attract even those that, to date, have not been great fans of Czech cuisine. You can look forward to classical Czech dishes such as potato soup with porcini mushrooms or roasted duck leg served with bacon dumplings and red cabbage with apples.

Piano Bar Specials

Escape from the freezing **February** weather and come to our Piano Bar to indulge in a pure chocolate pleasure. You definitely have to try the **Choc-o-lait** – a cup of hot milk with a Grand Cru chocolate straw that melts and becomes a deliciously decadent hot chocolate! In addition, *with every cup of chocolate you will get a discount voucher for a Thai massage* in the hotel's Spa TAWAN centre.

Despite the calendar saying that the spring begins in **March**, the weather doesn't always say so. However, look on the positive side and enjoy the last winter days in our Piano Bar savouring **La Vita chocolate drinks served with home-baked cookies, or tasty chocolate covered fruit skewers**. We bet you will wish that the winter never ends!
