Bongo Bongo Cocktail Night **President Hotel – Presidential Suite** **2 of August 2006**

President Hotel organized an unusual summer party “BONGO BONGO COCKTAIL NIGHT“ for its best business partners. The hotel’s Presidential Suite with its large terrace decorated in the WOO DOO style became an exotic scene of the party on 2 of August.

Master Bartender Roman Uhlíř and his R.U. Shop Bartending School prepared an original barman show and guided the guests through the world of exotic cocktails. The guests could also compete in the “Bongo“ dance, and the author of the most interesting costume in the “Bongo Bongo“ style won a stay for 2 persons in the Presidential Suite. Probably the greatest attraction in the tropical summer evening was the “Bongo Bongo bath“ in a whirlpool. During the bath a special Mai Tai orchid cocktail and grilled jumbo shrimps were served.

Since the event was extremely successful, the President Hotel plans on creating a special “Bongo Bongo Cocktail Night Package“ for the companies who would like to organize a nontraditional party for their business partners or employees. The exclusive setting in the Presidential Suite with a unique view of the Prague Castle and Vltava river makes the party even more attractive.

- The base stone of President Hotel was set in 1928 by decision of the Czech Association of Engineers and Architects (SIA) to build up a representative seat of their organisation. In 1978, the attractive place next to SIA building was chosen for the imposing project of a hotel. Immediately after it was finished, the hotel, in that time called Budovatel, was joined with the original SIA building. In 1984, the building was rebuilt in the so-called monolithic style. In 2002, during the destructive floods President Hotel was heavily affected and had to be closed. The refurbishment started on 1st of August, 2003 and was completed on 6th of August, 2004.
- Since 1992, President Hotel – Casino Praha is being owned by Spanish company Comar which runs a chain of prestigious casinos all over the world.
