The President Hotel has been voted the best hotel in the category „Small Business Hotel in Central Europe“

The President Hotel Prague has been awarded first prize in the category “Best Small Business Hotel in Central Europe” in the first annual “Business Destinations Awards 2008”.

Commenting on the award, Guillermo Olivares, General Manager of the President Hotel, said:

„This is the second significant award for the President Hotel this year and I am very proud of it. To win first position in the prestigious „Business Destinations Awards“ is yet further demonstration of the first class services that we provide to our guests, and it also represents great motivation for our team.“

This year is the first year that the “Business Destinations Awards” honours the best travel and tourism organisations in Europe, taking account of 31 different categories. The Awards are organised by the British travel magazine “Business Destinations” which, in less than three years of existence, has become one of the leading publications of its genre.

The inaugural “Business Destinations Awards” are a result of the panel - comprising the editorial team, regular Business Destinations contributing journalists and other exalted travel authorities - assessing the strengths and weaknesses of relevant organisations in various appropriate business fields.

- The base stone of President Hotel was set in 1928 by decision of the Czech Association of Engineers and Architects (SIA) to build up a representative seat of their organisation. In 1978, the attractive place next to SIA building was chosen for the imposing project of a hotel. Immediately after it was finished, the hotel, in that time called Budovatel, was joined with the original SIA building. In 1984, the building was rebuilt in the so-called monolithic style. In 2002, during the destructive floods President Hotel was heavily affected and had to be closed. The refurbishment started on 1st of August, 2003 and was completed on 6th of August, 2004.
- Since 1992, President Hotel – Casino Praha is being owned by Spanish company Comar which runs a chain of prestigious casinos all over the world.
