The President Hotel is one of the main partners of the exhibition “1000 Years of INCA Gold – The Curse of the Gold” which was inaugurated on November 1st in the Prague Castle. A gala reception to launch the exhibition was held on October 30th in the Prague Castle and the President Hotel was delighted to be asked to provide the full catering service.

The exhibition presents approximately ninety objects from the original golden treasures of the Incas, including masks, bowls, jewels and other items dating back to 400 B.C. up to 600 A.D. This is the first time that the exhibits from the Museo de oro, Peru, have been brought to the Czech Republic.

- The base stone of President Hotel was set in 1928 by decision of the Czech Association of Engineers and Architects (SIA) to build up a representative seat of their organisation. In 1978, the attractive place next to SIA building was chosen for the imposing project of a hotel. Immediately after it was finished, the hotel, in that time called Budovatel, was joined with the original SIA building. In 1984, the building was rebuilt in the so-called monolithic style. In 2002, during the destructive floods President Hotel was heavily affected and had to be closed. The refurbishment started on 1st of August, 2003 and was completed on 6th of August, 2004.
- Since 1992, President Hotel – Casino Praha is being owned by Spanish company Comar which runs a chain of prestigious casinos all over the world.
