### **Chef's Show as a private company party**

**The President Hotel is offering its very popular Chef's Show to companies who are planning to organise an innovative party or other event for their staff, clients or friends.**

For the last two years, the President Hotel's **Chef's Show** has taken place **every second Wednesday of the month**. Presenting the well-known Milan Pešek, Executive Chef of the President Hotel's Vltava Restaurant the show includes him preparing a full menu in front of the guests, and discussing a number of interesting tips and tricks as he is cooking to encourage those budding chefs to 'have a go' themselves. Thanks to the personality of the Chef and excellent cuisine the Chef's Show became very popular very quickly.

Due to the ever-increasing interest in quality gastronomy the President Hotel is now offering this event to companies for their own staff or customer parties. Instead of adrenaline experience like a parachute descent or a paintballing competition, the guests of the Chef's Show will enjoy an unique culinary experience. During the evening they savour delicious specialties and moreover they can learn a lot of interesting information about various ingredients, as well as the tricks of cooking both Czech and international cuisine which they will find useful when preparing dishes for their family and friends.

The Chef's Show usually takes place in the President Hotel's Vltava Restaurant, which offers a stunning view over the Vltava River and its surroundings. If the weather is good, however, the Chef's Show can be organized on the terrace of the hotel's Presidential Suite with a beautiful view over the Prague Castle as a barbecue party. The special summer Chef's Show was held in the Presidential Suite on July 8th and its success exceeded all expectations.

- The base stone of President Hotel was set in 1928 by decision of the Czech Association of Engineers and Architects (SIA) to build up a representative seat of their organisation. In 1978, the attractive place next to SIA building was chosen for the imposing project of a hotel. Immediately after it was finished, the hotel, in that time called Budovatel, was joined with the original SIA building. In 1984, the building was rebuilt in the so-called monolithic style.
- Since 1992 the hotel Budovatel is being owned by Spanish company Comar which runs a chain of prestigious casinos all over the world. Comar established the new company President Hotels s.r.o. and the name of the hotel changed to President Hotel Prague. In 2002, during the destructive floods President Hotel was heavily affected and had to be closed. The refurbishment started on 1st of August, 2003 and was completed on 6th of August, 2004 when the hotel was reopened. On 9th August 2007 the hotel has officially joined the luxury 5 star hotel category.
